Air Education and Training Command
Contracting Squadron – Randolph AFB

Develop America's Airmen Today ... for Tomorrow

AETC Contracting Squadron
2021 First Street West
Randolph AFB, TX 78150-4525

Lt Col Renee M. Richardson
Commander

The AETC Contracting Squadron (AETC CONS) is assigned to the HQ AETC Contracting Division (A7K), Directorate of Logistics, Installation, and Mission Support (A4/7), Randolph AFB TX. AETC CONS is responsible for all unique and/or complex acquisitions in support of HQ AETC, as well as major acquisitions which exceed local base level responsibility. AETC CONS also provides contracting support to the Air Force Civil Engineer Support Agency (AFCESA), Air Force Recruiting Service (AFRS), and the Air Force Security Assistance Training office.

What we Buy

Develop America's Airmen Today ... for Tomorrow

- If a requirement is considered unique and/or complex, or involves more than one AETC base, the AETC CONS will likely be the contracting activity utilized

- Typical requirements include: T-37/T-38 aircraft maintenance, recruiting advertising, undergraduate pilot training, training requirements for foreign military sales, base operations support, air combat range management, IT Services, pilot and navigator training, AF Utilities Privatization, aircraft simulator training, general civil engineering support, and construction

- Some Commodities at Year End
